

## KAMASA BACK ON FORM

KAMASA BACK ON FORM Kamasa has long been known for providing terrific value for money socket sets, but there can be few sets on the market as versatile as their new 42 piece one. Not only are their 14 AF and 12 metric sockets included, but Kamasa have thrown in eight of the most popular Whitworth sizes too. All sockets and accessories are 1.2in drive, and the set includes a ratchet, two extension bars, a 'T-bar', UJ, spark plug socket, and a robust storage case. Priced at £29.99, this is essential for anyone working on all ages of vehicles.
